Senate Hearing Rm 1
J.A. Cherberg Building
Olympia, WA

Work Session: Health of Washington's Forests: Impact of Root Diseases.

Public Hearing:

1. SB 6508 - Encouraging private landowners to allow public access to their land. (Hearing is on the Proposed Substitute.) (Liias)
2. SB 6509 - Concerning fish barrier removals. (Hearing is on the Proposed Substitute.) (Liias)

If draft bills, proposed substitutes, or striking amendments are to be heard, they can be obtained from committee staff or on the committee's website,

<http://www.leg.wa.gov/Senate/Committees/NRP/Pages/default.aspx>, as soon as they are available.

Possible executive session on bills heard in committee. Other business.

Committee documents & work session presentations can be found online after the hearing has begun via a link to committee meeting documents on the Committee's website: <http://www.leg.wa.gov/Senate/Committees/NRP>

Most Senate committees now use an electronic committee sign-in program. To sign in for a bill you may use a web-enabled device to scan the code at right or go to <https://app.leg.wa.gov/csi>. You must be connected to the WSL Public wireless network. You may also use one of the public access terminals, which are located in the Cherberg building hallway & hearing rooms, the 1st floor of the Pritchard Building, and in the Legislative Information Center in the Legislative Building.
